

EDUCATION

University of Michigan, Ann Arbor

B.S. in User Experience Design, Minors in Human-Centered AI, Entrepreneurship, Art & Design

GPA: 3.98 | Dean's List & Honors: All Semesters | Riggs Hoenecke Design Scholarship Recipient

EXPERIENCE

SailPoint — Product Designer

Austin, TX | Jun 2026 – Aug 2026

Spearheaded the redesign of an AI-powered configuration experience, replacing a failed guided-chat prototype with human-in-the-loop patterns that calibrate AI autonomy to admin approval by action reversibility, cutting source setup time by 60%. Drove discovery research across 15+ stakeholder interviews and A/B testing with 10 enterprise clients, and built a fully adopted plugin using Figma's AI agent to auto-compile design-system updates and eliminate out-of-app SME lookups.

Copperhill Inc. — Product Designer

Livonia, MI | Jun 2025 – Aug 2025

Owned the redesign of an enterprise authentication experience serving 2,000+ daily users, partnering with PM and QA through an Agile/Jira cycle. Rebuilt Design System 2.0 across 40+ screens with component architecture and design tokens, cutting handoff questions by 65%, and designing a reusable question bank that reduced out-of-platform batch email activity by 95%.

Siemens Energy — User Experience Designer

Hybrid | Jun 2024 – Aug 2024

Conducted generative research and competitive analysis, synthesizing user personas and journey maps that improved user efficiency by 50% across an omnichannel web platform. Restructured information architecture to cut site click depth by 60% and presented recommendations to 30+ international senior stakeholders and executives, securing a prioritized product direction.

PROJECTS

U-M Library: Seed Library — Product Designer

Ann Arbor, MI | Sep 2025 – Apr 2026

Drove an end-to-end design process from generative research through high-fidelity prototyping, growing traffic by 80% and synthesizing 50+ hours of ethnographic research from 20+ users via a human-validated GenAI workflow. Redesigning the checkout journey from 6 steps to 4 to reach 95% task completion, winning 1st place in UX Design at the 2026 UMSI Student Project Exposition.

U-M ITS: Safe Computing Site — Product Designer

Ann Arbor, MI | Sep 2025 – Dec 2025

Led competitive analysis of 10+ cybersecurity platforms to identify 18 UX improvement opportunities. Defined success metrics and designed a Privacy Quiz in Figma, validating it through usability testing to drive a 35% boost in student engagement while meeting WCAG 2.1 AA accessibility standards

LEADERSHIP

Vice President of Design: Michigan Advertising & Marketing

Directed a 30+ member design studio, leading an AI-assisted design curriculum on tools like Figma Make that upskilled members across the studio's client work and strengthened creative output.

Instructional Aide: Intro to UX Design

Led weekly lab sections for 20+ students on UX fundamentals and interaction design, guiding hands-on Figma critiques and giving individualized feedback on student work.

SKILLS

Design: Product Design, UI/UX Design, Interaction Design, User Research, Usability & A/B Testing, Information Architecture, User Flows, Wireframing, High-Fidelity Prototyping, Design Systems, WCAG Accessibility, Responsive Design

Tools & AI: Figma, Figma AI, FigJam, Adobe Creative Suite, Miro, Zeroheight, ProtoPie, Qualtrics, Jira, Confluence, Python, HTML/CSS/JS, React, Vercel, Claude Code, Cursor, Codex, Lovable, ChatGPT
